

Tunis, September 2<sup>nd</sup> 2025

**Object:** Sponsoring of 3rd International Conference on Advances in Rock Mechanics «TUNIROCK 2026», to be organized by the Tunisian Society for Rock Mechanics in Hammamet on 09-12 April 2026

Dear Sir, Madam,

On behalf of the organizing committee, I am delighted to invite you to participate to the 3<sup>rd</sup> International Conference on Advances in Rock Mechanics «TUNIROCK 2026» to be held in Hammamet, Tunisia, on April 09-12, 2026.

This Conference aims at bringing together researchers and engineers around the most recent advances in Rock mechanics and Rock engineering applications. The exciting program that the Tunisian Society for Rock Mechanics prepared includes technical and scientific sessions, keynote lectures, one-day workshops and technical field trips. We believe that you will also enjoy participating to post-Conference technical excursions in the region.

The participants will have a chance not only to discuss technical issues but also to socialize during the conference dinners and discuss future events. The attendance of experts in rock mechanics will result in a very strong technical program for the Rock Mechanics & Rock Engineering and we will also provide guidance for the next conferences.

With reference to the significance of this event, you can visit our website [www.atmr.tn](http://www.atmr.tn) for more information about sponsorship options.

We will be proud of the participation of your company as one of our main supporters. We hope to be together with you in Hammamet, Tunisia.

Dr Salma SOUISSI  
President, Tunisian Society for Rock Mechanics
